

## “MONEY FOR NOTHING” Casting, Scheduling and Additional Updates

Kids & Parents of Parkway & “Money for Nothing”,

Hello and Thank you again for all of your support! We are eternally excited about the level of interest this humble little project is generating. As many of you know, I met quite a few of the up-and-coming actors and actresses, musicians and dancers and all around entertainers last evening at the first night of the Talent Show at the church. WOW. What a great group of very talented young people. Britney and I were delighted to meet so many of you last night and to see many of you perform. It was heartwarming, funny and inspiring.

We are thrilled to have 22 kids ready to audition so far and expect to pick up a few more Thursday. So, the competition is getting thick! And, from now on we will be using the term CASTING in place of AUDITION. In the movies, there are no auditions, only castings. They are the same thing basically, a try out, but in the film biz, that’s what they’re called. Since this is a learning activity, we can start there.

For those of you that don’t already know, I will not be issuing any more notices through the school. Although Mrs. Purser and Mrs. Koski will be aware of everything that happens, we don’t want to burden the school any further with our announcements. They have already done so much introducing us to all of you and granting us permission to film there and we are very grateful for that.

Also, for any new people and anyone that was not already made aware, there is a website where you can go and get updates. I encourage you to use it. It has copies of all notices that have gone out in the past, and as well will have all future updates including schedules for castings, schedules for shoot days (called “Call Sheets”), maps and directions, fundraising efforts and more. For any of you that have not done so already, please fill out the form that you can download from the website. It’s called “[Audition Application](#)” and is located in the right hand column under “Download Notices and Applications”. For all of you that have been communicating with us via email, thank you so much for keeping in touch. Don’t forget, though, that we will need an address to mail the selected kids their packages for how to proceed. We only have addresses for 6 kids so far and that’s a good start. For those of you that want to wait to see how the audition goes, that’s fine of course.

**CASTING INFO:** We are planning the casting for **Saturday, March 28<sup>th</sup>, from 3 to 7 pm.** I will confirm that time by Friday March, 20<sup>th</sup>. You don’t have to come for the whole time. Each casting will take approximately 10 minutes. So we’d like to schedule to see someone every ten minutes. If you can make it, great. Please send me an email letting me know your availability, including time, so I can schedule everyone accurately. Also, if you plan to carpool or parent-pool, let me know and I’ll happily schedule those kids together. See you there!
