

# **“MONEY FOR NOTHING”**

## **Kids and Parents of Parkway**

Britney Purser of Mrs. Fernandez’s 4<sup>th</sup> Grade Class has written a short movie. Her uncle, Chris, has agreed to make this movie into a reality and they would like to invite all of you 4<sup>th</sup> and 5<sup>th</sup> graders to participate in the making of this film.

There will be an audition in a few weeks where they will be looking to cast the following roles:

5 KIDS: RICH – MATT – DANNY – MONICA – KILEY

AND 4 ADULTS: RICH’S PARENTS, A SCHOOL TEACHER, AND CHRISTINA’S MOM.

They’ll also be filming at the school and will need lots of extras for scenes in hallways and classrooms.

**This script, an original by Britney, is “a really nice piece of work”, Chris Purser said, “which is the reason I decided to shoot it. It has a good message, with a good story, good characters and is filled with heart.”**

Chris Purser comes from a long career in the movie industry working on major motion pictures and television shows such as Bad Boys 2, The Punisher, Transporter 2, Spiderman 2, and more. He is taking this film very seriously and intends to submit the final movie to film festivals and contests worldwide.

The School will be scheduling an Orientation where you can meet Chris and Britney Purser and hear them speak about what they are planning and how you can get involved...

If you are interested in being in the movie, please contact either Mrs. Purser or Mrs. Fernandez directly at the school or call or send an email to Chris Purser and we’ll get you on the list to be in:
